Rules for the grant of leases of Government waste lands for the cultivation of tea were first issued in 1875 for the district of Julpigoree only, and in 1878 they were revised and extended to the district of Darjeeling. There are also in force in the district of Julpigoree rules for the grant of leases of arable lands, which were framed in 1875 on the basis of the Tea Lease Rules. In 1882, the Board of Revenue suggested to the Commissioner of the Rajshahye Division that both sets of rules should be recast so as to bring them into accord with recently issued orders and decisions, and Lord Ulick Browne accordingly took occasion to propose a series of amendments suggested by his local experience. None of these proposals were of financial importance, nor did they affect any general question of principle, and they were with slight modifications accepted by Government, the Commissioner being subsequently requested to put them into the shape of draft rules. The draft prepared in accordance with these instructions was submitted to Government in November, 1886, and published in the Calcutta Gazette of the 1st December of that year, remarks and criticisms being invited up to the 15th January following.

The Lieutenant-Governor baving duly considered, in consultation with the Board of Revenue and the local officers, such objections and observations as have been put forward, and having to some extent modified the original proposals in accordance therewith, is pleased to declare that, from the date of publication of this Resolution in the Calculta Gazette, the rules published below will be adopted in supersession of all previous orders upon the subjects with which they deal.

Persons already holding tea or arable grants in these districts may have such grants brought under the operation of the new rules on intimating their desire in this respect to the Deputy Commissioner within six months from the date of the publication of these rules, but no such application will be entertained unless the new rules are elected in their entirety.

Ordered that this Resolution, together with the revised rules, be published in the Calcutta Gazette Board of Revenue.

Letter from the Director of Land Records and Agriculture, No. 170TA, dated the 6th February 1888, with enclosures.

Pring-lasts of staple food-crops, under section 89 of the Bengal Tenancy Act VIII of 1885, are, under existing orders, prepared on two market days in the month, in accordance with rule 3, Chapter II of the rules published by this Government in the Calcutta Gazette of the 28rd December 1885. Under section 39 of the Bengal Tenancy Act these price-lists, which are intended for the guidance of the Civil Courts in the determination of rates of rent, shall be prepared monthly or at shorter intervals, and fortnightly lists were, in the first instance, prescribed as in the case of the returns of prices-current of food-grains. firewood, and salt, published for executive purposes. In noticing and supporting a suggestion put forward by the Collectors of the 24-Pergunnahs, and approved by the Commissioner of the Presidency Division, that in future these price-lists should be prepared monthly instead of fortnightly as at present, the Board of Revenue remarked, in paragraph 229 of their Report on the Land Revenue administration during the year 1886-87, that although the price-lists were regularly prepared, and published locally for criticism in accordance with the procedure laid down, little or no interest appeared to be taken in them, and no objections were even made to the prices recorded even when palpably incorrect. The proposal commends itself to the Lieutenant-Governor, who is of opinion that the important point in connection with the issue of these lists is not that they should appear with frequency, but that they should be as accurate as possible, and His Honour accordingly directs that, from the date of the publication of this Resolution in the Calcutta Gazette, the two amended rules annexed shall be substituted for the existing rules 3 and 4 in Chapter II of the Rules under the Tenancy Act. For the purpose of securing accuracy in the returns, supplementary instructions will be issued. by the Board of Revenue, and these should be strictly observed by the officers concerned in their preparation.

2. Schedule II, attached to the Rules under the Tenancy Act, shows the local areas and marts originally fixed for the record of prices for the preparation of the price-lists prescribed by section 39, but since the publication of this schedule, changes have been made in the local areas and marts prescribed therein, and the staples, of which prices are to be recorded, have been separately fixed by a notification of the 29th April 1886. This notification again has been modified by the subsequent notifications mentioned in the preamble to this Resolution, and the Lieutenant-Governor has decided to make a further alteration, in order to constitute the whole of the Pabua district as one local area, price-lists being prepared at the Sudder station only. It being desirable that the schedule should be brought up to date, the Lieutenant-Governor takes advantage of the opportunity now afforded, and directs that from the date on which this Resolution appears in the Calcutta Gazette, the amended schedule hereto annexed shall be substituted for the existing Schedule 1I at

present attached to the rules.

ORDER—Ordered that this Resolution, with its annexures, be published in the Calcutta Guzette, and that copies of it be forwarded to the Departments and officers concerned.

By order of the Lieutenant-Governor of Bengal,

P. NOLAN,

Secretary to the Govt. of Bengal.

CALCUTTA, The 20th April 1888.

Amended Rules to be substituted for the existing Rules 3 and 4 in Chapter II of the Rules under the Bongal Tenancy Act VIII of 1885.

3. "Price-lists of staple food-crops shall be prepared on one market day in the month at intervals of not less than 20 days. This market day shall be selected by the Collector, subject to the control of the Board of Revenue."

4. "The price recorded for each staple food-crop shall be the prevailing retail price at shieb that crop was actually sold in the mart to which the price-list refers on the day selected under the last preceding rule."

P. NOLAN, Secretary to the Goot. of Bengal.

CALOPITA, The 28cd May 1888.
